

## Illinois Community College Faculty Association

Friday, May 31, 2024, 8:30 – 9:30 am, Via Zoom

Members Present: Julia DiLiberti, Mary Rojas-Carlson, Joseph Przybyla, Terri Birch, and Hong Fei

**I. Call to Convene.**

**II. Conference Preparation Process by President and President-Elect Julia and Mary:**

1. Asking for proposal and faculty award letters had been out on the website, newsletter, and the mail list.
2. Fei will send a reminder to last year's grant winners for submission of proposals. She will also send the past award and grant winners.
3. Will form a nomination committee to handle pipeline for EC officers.

**III. Secretary's Report by Fei:**

Julia moves to approve the minutes for the last two meetings. They are approved.

**IV. Grant Coordinator Report by Fei:**

This year's grants go to the following faculty members.

Jacob Winters and Krista Winters of Black Hawk College and Sandburg College. Their workshop will be "Let's Get Active! Redesigning Math and Science Classroom for Student Learning".

Patrick Mills et al of Joliet Junior College. Their research will be "Multidisciplinary Undergraduate Research – The Investigation, Creation and Deployment of Asian Carp Attractants and Aquacultural Fish Feeding Stimulants".

Elizabeth I. Kershisnik and Timothy Dean Draper of Oakton College and Waubensee Community College. Their Research will be "Walking the Illinois Classroom: A Cross-Disciplinary Experiment in State History and Environment".

Mike Jonas of Morton College. His research will be "Research of Best Practices to Integrate Mildly Flammable and Low Global-Warming-Potential Refrigerant Material and Credentials into Our Morton College Heating, Ventilation, Air Conditioning, and Refrigeration Program".

Fei asks for volunteers to take over the job of grant coordinator.

**V. Adjourned.**
